A member of the
Australian Greenlife Group

Position Description

Position: Nursery Hand - Permanent

Location: **QIF Brindleys** 119 Morgans Road SANDY BEACH NSW 2456

Contact Details: Monika Smith brindleys@qif.com.au

Australian Greenlife Group (AGG) is a leading supplier of potted plants to both retail and commercial clients across Australia. AGG owns and manages three wholesale nurseries located at Sandy Beach and Alstonville NSW, and Ningi QLD.

Our Sandy Beach nursery has a vacancy for a **permanent Nursery Hand** to undertake various tasks involved in the production process.

The position is 38 hours per week and is a permanent position. Some flexibility regarding work hours is negotiable.

Tasks occur outdoors within our purpose-built greenhouses and shade houses. Previous experience working in a nursery or horticultural enterprise is preferred but not essential. You will be trained and work with an experienced team of people across all facets of the production process including but not limited to transplanting, stock maintenance, movement of stock throughout the nursery, pest management, and picking & packing of orders.

The successful applicants will have the following qualities:

- Self-motivated and energetic
- Ability to work successfully within a team or independently
- Friendly and positive attitude
- Reliable, punctual and trustworthy
- Hard and quick working person not compromising work quality
- Able to work outdoors in all weather
- Physically fit as the tasks are physically demanding

If you wish to further or start your career in horticulture, then let's talk. The positions are covered by the Nursery Award 2020. For further company information please visit www.qif.com.au
